The children had an amazing afternoon of running fun at the Weald's Cross Country event. It was the first experience of this type of endurance running for our Year 3 runners and all of the children gave it their all, showing real determination and team spirit throughout the afternoon. The children all listened well to the instructions and the advice given. They certainly did themselves and the school proud. A special mention goes to Jack from Year 6 who came 2nd in the Year 6 boys race and Gabriella from Year 4 who came 3rd in the Year 3 and 4 girls race, both receiving a medal. The Year 6 team took first place in the Year 6 boys races with their overall scores and the Year 3 and 4 girls took 2nd place in their category. A huge thank you to all our fabulous parent helpers on the day: Mrs Hairs, Mrs White and Miss Anderson, we could not have attended the event without you. Also a big thank you to those parents and grandparents who came to support the runners. Well done to all the runners and adults for a very enjoyable afternoon.
