### First Committee Meeting

We have our next committee meeting on Friday 14th October at 2pm in the staff room and everyone is welcome even if you have little ones. Little ones are kept entertained with the crèche toys during the meeting.

By giving just a little of your time to help would be greatly appreciated. We have busy parents who can't join the committee but offer their skills from designing posters for the Summer Fun Day, writing press releases, collecting empty toners and pens and posting them to photographing events. We all do what we can to support the school.
