

Maths

We will be learning to:

- Compare and order fractions whose denominators are multiples of the same number.
- Identify, name and write equivalent fractions of a given fraction, represented visually including tenths and hundredths.
- Recognise mixed numbers and improper fractions and convert from one form to the other.
- Add and subtract fractions with the same denominator and denominators that are multiples of the same number.
- Multiply proper fractions and mixed numbers by whole numbers, supported by materials and diagrams.
- Read and write decimal numbers as fractions.
- Solve comparison, sum and difference problems using information presented in a line graph.
- Complete, read and interpret information in tables including timetables.

Computing

We will continue to learn how to write computer codes using a programme called Scratch.

R.E

We will be learning about Judaism.

Literacy

We will be reading a book of mystery stories entitled "The Chronicles of Harris Burdick" by Chris Van Allsburg. We will be participating in spoken debates providing arguments for and against a subject. We will be writing our own mystery stories based on mysteries in our own school!

Year 5 Spring Term 1st half

It's a mystery!

History

We will be investigating the mysteries of the ancient Mesopotamian civilisation.

Art

We will learn how to draw using a range of pencils to create varying lines and tones in illustrations.

P.E

We will learn throwing, catching and teamwork skills in netball. In dance, we will develop our knowledge of choreography, creating a dance related to a piece of mysterious music.

Science

We will learn about scientific investigation and how it is possible to draw conclusions based on the evidence of a planned investigation of a crime scene, using chromatography.

We will be learning about living things and their habitats in our local area.

Music

We will improvise, compose and perform our own piece of music.

Language

We will be reading, translating and explaining the meaning of a poem in French.

P.S.H.C.E

Going for goals – we will learn how to persist and be determined in order to achieve our goals in life.
