19th October 2016

Dear parents and children,

From Wednesday 2nd November 2016 we will be starting the Weald Book Award club. The Weald Book Award is an annual event held in March. Children in Year 6 and Year 7 of The Weald are asked to read seven different books and complete different activities based on what they have read. Once read, the children vote for their winner and the author of that book is invited to a presentation evening to collect their award.

We also participate in different events held at The Weald, such as speed reads and meeting some of the seven authors. It is an enjoyable experience for our children but they do need to ensure that they are reading regularly in order to complete all seven books in the allotted time.

The club will run between 3.30 and 4.30pm each week in 6S and will be based around the seven books. It's a great opportunity for our children to really work in-depth with interesting and, at times, challenging material. The books have been assessed by the teaching staff at BPS and The Weald and have been deemed suitable for year 6 children. The school will be able to provide copies of each book for up to a maximum of 30 children. With this in mind, the closing date for applications will be Tuesday 1st November and on that date those that have been successful in gaining a place will be told.

We are looking forward to hearing from as many of you as possible.

Mrs Wilson
Leader of Learning English

Weald Book Award Club

I would like my child

_____ (name) of

_____ (class) to attend the Weald Book Award book club.

I will be collecting them at 4.30pm each Wednesday / I give permission for my child to walk home after the club.

(Please delete as appropriate)

Signed _____ (parent/carer)
