Please tick the appropriate boxes and then return to the school by **Thursday 29<sup>th</sup> March.**

Although the children are able to bring disposable cameras, adults attending the Blackland Farm trip will also be taking photos of the children. We will share these photos with the children when we return to school but would also like to post some photos on our Twitter page during the week.

The Twitter page has been developed as a way of keeping parents updated throughout the week with tweets and some photographs. We will not respond to messages or requests for photos to be uploaded. Please do not re-tweet to other accounts. By the end of the week all children, with permission, will have a photo on Twitter – technology and 3G depending! The page is locked and can only be viewed by members who are accepted by the school. If you would like to access the Twitter page, please give details of your Twitter account below so we can accept you.
