19th April 2018

Dear Parents and Carers

Rounders Club

As there has not been enough interest in the paid after school Rounders Club on Thursdays this term, the club will not run as planned. Instead there will be a **free** club on Tuesday afternoons, run by South Coast Sports and paid for by the school from Sports Premium Funding. The club will be open to **Years 4, 5 and 6** children only and there will be a total of 24 spaces available. Please sign up using the Parents Evening System

<https://billingshurst.parentseveningsystem.co.uk> or by contacting the office if you can't use the booking system.

So that places can be allocated fairly, not on a first come first served basis, there will be 40 places available on the system from which we will allocate the 24 spaces by drawing names out of a hat. You will then receive confirmation from the office that your child has a place so please do not assume they have a place from the confirmation sent by the booking system.

Booking will open at 5.00 pm today and close at 9.00 am on Monday. You will be informed on Monday if your child has a place. The club will start on Tuesday 24th April.

Yours faithfully

Susie Clitheroe

Business Manager
