8th September 2017

Year 3 Stunning Start - Stone Age day

Dear Parents and Carers,

To begin our new topic for this term we have arranged a Stone Age experience for the children to participate in on **Tuesday 12th September**. During this time, they will have the opportunity to take part in a range of activities including an outdoor session where they will be den building and learning how to start a fire.

The children will need to bring in suitable outdoor clothing including old trousers, a t-shirt and a jumper. These clothes are likely to get muddy. As we will be going out whatever the weather, they will also need a waterproof coat and suitable footwear such as wellington boots or old trainers.

If you have any questions please don't hesitate to speak to your child's class teacher.

Many thanks

The Year 3 team
