3rd November 2017

Dear Parents/Carers

We are fast approaching our visit to Lodge Hill. The children have had a presentation from the previous Year 4 pupils to answer any of their questions and seem very excited.

On the day they go to Lodge Hill they will need to bring all of their overnight clothes and belongings in their larger bag. They will also need a smaller day bag with their packed lunch and drinks, which should not be fizzy. It would also be worthwhile including their waterproof coat in this bag should they need it during the day.

We will be leaving school by 9.15am and the children will need to come straight to the KS2 hall to register and wait in their groups. Any medication needs to be handed over to Mrs Mujik on the morning of the trip with name and instructions on.

We will return from Lodge Hill by the end of the school day on the following day. Once again could the children be collected from the KS2 hall so that we can offload the bags easily from the coach.

Thank you so much for your co-operation with this.

Year 4 team
