Dear Parents and Carers,

In November, we will be giving all children a set of revision books to help them prepare for the Key Stage 2 national curriculum tests and we will be using these weekly to set homework in reading, maths and grammar, punctuation and spelling (GPS).

To assist your child in these tasks we will be holding a homework club every Wednesday after school from 3.20-4.30pm with the first session beginning on Wednesday 14th November. During this time your child will be able to work alongside a member of staff to ask any questions that they have about their work and we are keen to have parents at the club to both support their children and see the methods that we are using to teach.

If you would like your child to take part please fill in the slip below and return to your child's class teacher. A returned slip is not essential as we won't turn children away.

Thank you for your continuing support in your child's learning.
