

Extended Learning Opportunities Year 1 Summer Term 2017

Below are some ideas of websites and places to visit that will help your child extend their learning

Useful websites

www.britroyals.com. This site lists all the kings and queens of Britain with dates, pictures and lots of facts.

www.Tower-of-London.com. This is the Tower of London site with lots of activities, facts, and pictures and activities.

www.BBC.co.uk/schools/websites/4-11. This site has a whole range of activities and games for different areas of interest including maths, literacy, science and art.

Local places to visit

Bramber castle – Have a look round the ruins. Imagine what it would have been like. Which parts are left?

The Local Library – full of interesting books both to read and to do research with.

Go for a walk – look at how the plants, trees and animals change over the summer

Day trips

The Tower of London – Buckingham Palace

Hampton Court Palace

Brighton Pavilion
