3rd October 2016

Dear Parent/Carer,

Welcome to Year One. We would like to invite you to come into school at the end of the day to a few short informal meetings that we feel will keep you involved in what and how your children are learning.

Wednesday 5th October (after school)
Morning Reading

This will include what happens each day during the reading sessions and how this helps your child. We will also talk about how our valued parent helpers can support these sessions so that if you would like to offer your help you will know what to expect.

Monday 10th October (after school)
Spelling and Grammar

Spelling and Grammar now have a greater importance in the national curriculum and for this reason we would like to talk to you about the expectations for Year One.

Please feel free to bring your other children.

We are always delighted with any offers of help either working with the children or helping with general admin. If you feel this is of interest to you please have a chat with your child's teacher.

Thank you and we look forward to seeing you.

The Year 1 team
