Tuesday 28th November 2017

Dear Parents/Carers,

Reception Nativity DVD

As you know next week we will be performing our Nativity play 'Whoops-a-Daisy Angel'. However, due to limited space in the hall only two tickets per child are available. We understand that your child's first Christmas play at school is a special occasion and one that many of you would like to share with wider family. This year we have decided to film one of our performances which will then be available to purchase on a DVD for £5, further details will follow on a separate letter. This will give you a memento of your child's first Nativity and also allow those family members who were unable to attend a performance the chance to see it. This DVD is for private viewing only and should not be shared on any social media.

We will be filming the performance to the nursery schools and senior citizens on Monday 4th December. If you do not wish your child to be filmed then they will not take part in this performance so they will not appear on the DVD. We will have a sign-up sheet in your child's classroom for you to indicate whether or not you give permission. Please could you make sure you have signed this sheet by Friday 1st December. If for any reason you are not going to be dropping your child off at school this week, e.g. your child goes to after school club, please could you write in the Blue Book to indicate whether permission is given or not. No child will be allowed to take part in the performance unless we have written permission.

If you have any questions please come and ask.

Thank you

The Reception Team
