4th July 2018

Dear Parents/Carers

To support the children's interest in water play we are planning a 'Water Afternoon' on Friday 20th July. We want to give the children a chance to explore water on a big scale!

Please could they bring in:

- A swimming costume/swimming trunks
- A t-shirt to wear over the top of their costume.
- Water shoes or an old pair of shoes which can get wet (no flip flops please)
- A hat which can get wet
- A towel
- A bag for wet things at the end of the day.

Please could you make sure that everything is named and that sun cream is applied thoroughly as the children will be wearing swimwear. We are of course hoping that the lovely weather continues but if the weather does change we will make the decision to continue or not at lunchtime on the day.

Thank you

The Reception Team
