

Beautiful Butterflies and Bugs

Year 1 Homework

Autumn Term 2017

Welcome to your Autumn Term Homework.

This topic will last for a term. We hope you enjoy the tasks and look forward to sharing your children's work with the class. These are only ideas. We will share all work that the children bring in from home. Obviously, sometimes there are days when we have more time than others so please do not expect your child to have shown it on the day it comes in.

Possible Homework dates : 2nd October, 16th October, 6th November, 20th November, 4th December

1

Let us know

Tell us about your favourite book. Why do you like it? Who wrote it? Is the illustrator someone different? Has the author written other books?

2

How many legs in your house?

Tell us about how many legs are in your house. You could show us with pictures or write about it. Don't forget to show us the maths you have done!

3

Can you find out?

Tell us about a famous person from your class country.

4

What is healthy?

Design a healthy meal. Find out what is 'healthy' eating. Create a plate of food that you could serve at a healthy eating meal. You could create a collage of pictures, make the food to go on your plate or draw your healthy meal.

5

Design and make a picture about you.

Draw or make a habitat suitable for mini-beasts to live in. What will they need? How big will they be? What will you use to make it?

6

Design a stretching routine.

Design your own stretching routine. Imagine you were a butterfly and you have come out of the cocoon - you would need a very good stretch after leaving it! Give a list of instructions for someone else to follow. Perhaps you could draw or take pictures of how to do the stretches.
