21<sup>st</sup> June 2018

Dear Parent/Carers

As you may or may not know Friday 29<sup>th</sup> June is International Mud day. We in Year 1 will be celebrating this event with an outside day. This will mean the children spend the whole day outside doing activities some of which involve mud.

They will need:

- **To come to school in their uniform (so we can change back into it if we get muddy)**
- **To bring clothes to change into (like those the children wore for forest school)**
- **Sun hat**
- **Coat (just in case)**

**They will not need to worry about lunch because we have organised their fish and chips to be boxed so we can eat outside (If your child usually has a packed lunch they can take that out with us).**

If you have a picnic blanket that you don't mind lending to us we would be very grateful. (Please let your child's class teacher know). Finally, one of the activities involves egg boxes, so if you have one that you don't need please send it in earlier in the week.

We are hoping for good weather but will go ahead whatever, so please bear this in mind when choosing clothing.

We will be tweeting lots of pictures and will also display them outside the classrooms as soon as we can. We are very grateful to the BPSCA for recently revamping our outdoor learning area just in time for us to spend the day there.  
Regards

The Year 1 Team
