

Extended Learning Opportunities

Year 2 Superheroes

Below are some websites and activities that will help your child extend their learning within our topic this term.

Outside school learning

You could read a superhero book with your child and ask them questions about the text. It would be great if you could encourage your child to spot any new vocabulary including verbs, nouns and adjectives. They could then think of a new sentence with that particular word in.

Ask your child to describe their favourite superhero and why. You could also ask them to compare their favourite hero and villain.
