Year 1 Homework

Autumn Term 2017

Welcome to your Autumn Term Homework.

This term we are learning about animals. However for the homework tasks, we want to find out about you! We hope you enjoy the tasks and look forward to sharing your children's work with the class. These are only ideas. We will share all work that the children bring in from home. Sometimes there are days when we have more time than others so please do not expect your child to have shown it on the day it comes in.

Possible Homework return dates : 17th September, 1st October, 15th October, 5th November, 19th November, 3rd December.

Let us know

Tell us about your favourite book. Why do you like it? Who wrote it? Has the author written other books? Who is the author?

How many legs in your house?

Tell us about how many legs are in your house. You could show us your findings with pictures or by writing about it.

Can you find out?

Tell us about a famous person from your class country.

What is healthy?

Find out about 'healthy' eating. Create a plate of food that you could serve as a healthy meal. You could create a collage of pictures, make the food to go on your plate or draw your healthy meal.

Design and make a picture about you.

Draw a picture of you and show the things you like to do or are interested in.

Design a stretching routine.

Design some movements to show how animals might move. Perhaps you could be a slithering snake or a stomping elephant.
