

Sports Day 2015

This year's sports day was another great success as the children enjoyed the morning and competed hard and fair against each other in front of an enthusiastic crowd.

Key stage 1 children took part in a carousel of events aided by sports leaders from Year 6. The results were:

1. Goodwood
2. Parham
3. Petworth
4. Cowdray

In Key stage 2 the children worked around a circuit of team competitions ranging from athletic events such as javelin to traditional sports day races such as egg and spoon. After that they moved to the track for some high quality sprints and relays cheered on by a vociferous crowd. The results were:

1. Goodwood
2. Petworth
3. Parham
4. Cowdray.

Ellie Kent, Tom Martin, William Scurr and Matthew O'Dwyer all broke the school records in their sprint races.

When all the points from both competitions were added together the overall result was:

1. Goodwood
2. Petworth
3. Parham
4. Cowdray

Huge congratulations to all the children who all tried their hardest and completed with great sportsmanship. And many thanks to the parents who came along to cheer all the children on.
