Girl's Cricket Tournament

On Wednesday 3rd June a group of eight Year 5 girls attended a girl's cricket tournament at Horsham Cricket Club. These girls had never played as a team before, some of them had never played in an arranged cricket match before and they were playing against teams of Year 6 students. They played 5 matches in total and there was a huge improvement in both their batting, bowling and fielding skills throughout the day. Although they lost all of their games they represented the school beautifully and should be proud of the visible improvements to their game. It was a pleasure to take them to this tournament and we look forward to attending it again next year when they are in Year 6.
