Sports Events w/c 16th March 2015

Football Tournament – Wednesday 18th March @ The Weald

On Wednesday a team of children from Years 4, 5 and 6 took part in a tournament between locality schools at The Weald. Our team won 4 and drew 1 of our games to comfortably win the event. After taking a little time to get going in our first game, we went on to win the next 4 scoring 15 goals and only conceding 1.

The more experienced players were able to support the younger ones who responded well to advice and guidance. The whole team played in an excellent spirit and were a credit to the school.

High Five Netball Tournament - Wednesday 18th March 2015 @ BBH

A group of 6 girls and boys attended another round of the high five netball tournament at Broadbridge Heath. They showed great team work and sportsmanship throughout the whole tournament and there was a visible improvement in their game play. They won their first match with an excellent goal from Jessica Goold but sadly lost their second match despite a superb goal from Lauren Copley. They represented our school beautifully and we look forward to playing the last round of the tournament next month.

Basketball Tournament - Thursday 19th March 2015 @ Collyer's

A group of 5 boys attended the final round of the basketball tournament at Collyer's showing great team work and determination. They won their first match against Steyning A 18 – 2 with some amazing baskets and also won their second match against St Peters B 26 - 6. Their third match was against Southwater A which they won 18 – 4 and they narrowly lost their final match against Southwater B 8 - 12. The points from the previous tournaments were added to the points they earned at this tournament and our boys came 3rd overall. Massive congratulations to all of those who played.

Year 5&6 Football League – Friday 20th March @ BBH

On Friday it was the turn of our older children to compete in the Football League at Broadbridge Heath. In a strong event with many schools competing our teams continued the fantastic run of success we are having at the moment. Our Year 5 team won 5 of their 6 matches scoring 12 goals and conceding only 4 with several of the games against year 6 opposition. The Year 6 team managed even better to win every game they played, scoring 21 goals and not conceding at all.

Both teams showed great sportsmanship and huge amounts of skill and were cheered on by parents who came along to support them.

This week we host Slinfold at our school and it will be the opportunity for some children who have yet to represent the school to showcase their talents.
