Sports Events w/c 16th November 2015

Weald Indoor Athletics

Four schools took part in an indoor athletics competition at The Weald on Wednesday. The children from Years 4, 5 and 6 competed in a variety of track and field events including sprints, relays, jumping and throwing.

Our team were excellent throughout the competition and ran out overall winners. This means that they qualified for the county finals in February and with more room for improvement, we look forward to doing even better next time.

Special mention should go to Lucas Bolton and Ellie Kent, our Year 4 representatives who looked at home amongst the older children and will have gained great experience.

The children were enthusiastic, sporting and a great credit to the school.
