Wednesday 27th January - High Five Netball Tournament

On Wednesday our Year 6 high five netball team started their next leg in the high five tournament at Collyer's, in division A!! There was a noticeable difference in the top league with the referees being stricter on footwork and contact. They played well in their first match against Holbrook but sadly lost 5 – 0. Their final match was against Southwater and they picked themselves up after their first defeat and played amazingly. They passed quickly and accurately, adapting their game according to the team they were playing and played the best I have ever seen them play. Luke Pullen scored 2 wonderful goals and the game ended in a 2 – 2 draw. All of their supporters were immensely proud of them.

Thursday 28th January - Basketball League

On Thursday 28th January, five boys took to the court in the first meet for the Horsham basketball league. As a newly formed team, the boys worked incredibly hard to get into the flow of the game. They lost the first game narrowly and went on to draw the second. With an increase in confidence and a developing team spirit the scores started raking up through Luke Pullen and Harry Wingate and they won the last two games. The boys were incredibly sporting, even in some testing situations and did the school proud with their achievements.
