Hockey Leagues at Broadbridge Heath – Friday 11th March 2016

On Friday, a team of Year 6 children took part in the last of three Hockey tournaments at Broadbridge Heath. Having been promoted from the second tier league to the first league, the children were up against some very stiff competition. The team was keen to do well again and performed to the best of their ability against some fierce opposition. Although they had lost some key players, Zak Parrott and Reece Doe stepped in at the last moment and played brilliantly. All the children played really well only losing 2 of their games by the smallest margin. They drew the other 3 games to come fifth in the entire tournament.
