Weald Cross Country

A huge team of Year 3 to 6 children took part in a locality competition at the Weald on Wednesday. The competitors had to run around a muddy track around the Weald field. The Year 3 and 4 children did one lap while the older children went round twice.

Our team was a mixture of inexperienced runners and those who had competed before. Our children performed fantastically well against the four other schools and ended up winning the event quite easily. Every child completed the course and there were four children who won their races outright – Theo Amor, Alexis Hendrikson, Jamie Smith and Jasmine Williams-Richardson.

Well done to the whole team for performing so brilliantly and for all the parents who came along to support.
