On Tuesday 13th June a squad of 11 swimmers took part in the Billingshurst Swimming Gala. Five schools in total attended the event and provided some stiff competition for our swimmers.

It was an afternoon of great excitement – albeit a little tense at times - and fantastic team spirit. All BPS swimmers did themselves (and the school) proud; they achieved a very well-deserved 2nd place overall, which was a superb result from our mixed squad of Year 5 and 6 children.

Our BPS swimmers demonstrated great tenacity and team spirit throughout the afternoon event. There were some non-club swimmers who showed a really commendable attitude in their willingness to have a go at new strokes. Some excellent swimming was to be seen among our club swimmers and an impressive first place finish in our girls medley relay race was one of the many highlights. There were some nail-bitingly close second place finishes on many of our other races!

A huge congratulations to all our swimmers who took part in this event. You were a delight to take out and were fabulous representatives of our school. Well done to you all.
