Mixed Year 4/5 Cricket Match **Southwater Cricket Club** **Wednesday 21st June**

Team list

William Heather, Noah Tandy, Callum Evans, Luke Higham
Abigail Chadd, Heidi Sillett, Jasmine Page, Maisie Farmelo

On Wednesday 21st June, a mixed team of Year 4 and 5 children took part in an all day cricket tournament at Southwater Cricket Club. It was an extremely hot and humid day but the team coped very well in the heat and played some excellent cricket.

We won our first match against North Heath and lost our second against St Mary's. We managed to reach the semi-finals, where we were pipped to the post by Greenway. We had some skilful batters and our bowling showed great improvement over the course of the day.

All our BPS children were very supportive of one another and behaved very sensibly throughout the day. They organised themselves into batting pairs and rotated the bowlers amongst themselves with little help from the adults. Good teamwork was demonstrated at all times.

Well done to all the children; you were a pleasure to take out on Wednesday.
