Basketball League Meet One – 26th January 2017

The first meeting of the Horsham 3-a-side Basketball League saw a small squad of only 3 taking to the basketball courts. The boys knew that it would be a hard evening with no substitutions and the quick pace of the games.

The first game gave the boys the opportunity to bond as a team, and find their rhythm, losing narrowly by just one basket.

The second game was a very different story as Billingshurst showed true domination winning 22-2. This seeded us into the middle league of three for the next two matches and the boys continued to go from strength to strength winning 14-10 in the next game.

In the final game, mustering what energy they had left held, the boys really pushed themselves to win 14-12. It was a great show of team work and determination by Ethan Dronfield, Josh White and Barney Hoad and now we can look forward to the second meet. Well done Boys!
