Sports Update

Sports Events w/c 6th February 2017

Year 6 Indoor Soft Cricket – Wednesday 7th February 2017

An excellent performance from the boys saw them win two out of three games, losing the third by only one run!

They have now qualified for the final next half term.

Horsham Basketball League – 9th February 2017

In the second meet for the Horsham Basketball league we had been seeded into the A division based on our success at the first meet. We knew that this would be tough, but the boys backed themselves and started brightly, constantly competing for the ball and territory. Sadly the first game finished with a 12-6 loss. Without a break we faced our toughest test against the reigning title holders. With another loss, this time 24-8 the boys took it in their stride and used this to motivate them to a 20-8 win in the third game of the evening. The fourth and final game was very competitive with constant pressure from both sides, sadly someone had to lose and this turned out to be us with a narrow 12-8 score line. The whole team- Ethan Dronfield, Josh White, Jack Bunce and Barney Hoad played their parts in defence and all of them managed to score points. A great performance boys! Well done.
