The children had a superb afternoon of running fun at the Weald's Cross Country event. It was the first experience of this type of endurance running for many of our BPS runners and the children gave it their all, showing real grit and determination throughout the afternoon. The pitch was muddy and the grass was relatively long so conditions under foot were tough but the children managed to navigate their way along the boundaries and run their best race. The children were all exemplary in their behaviour and listened well to the instructions and advice given. They certainly did themselves and the school proud. A special mention goes to Jack Mc Millan, William Heater, Eloise Hunter and Martha Hollis as they all ran particularly impressive races with a good sense of pace and race finish. A huge thank you to all our fabulous parent helpers on the day: Mrs Davies, Mrs Dunk, Mrs Orosz, Mrs O'Mahoney, Mrs Rhodes, Mrs Hall, Mrs Marr, Mrs Hairs and Mrs Kavanagh. Also a very warm thank you to Mrs White, Mrs Pullen and Mrs Greenman-Sparrow for giving up their time to help me run the event run so smoothly and for all their hard work with the scoring at the finish line. Well done to all the runners and adults for a very enjoyable afternoon.
