Newsletter No. 27
Thursday 29th March 2018

Dear Parents and Carers,

All the staff at school would like to wish all our families, children, friends, helpers and supporters a very happy Easter and we really do hope that the sun makes its presence felt sometime over the holiday. I hope you all have a wonderful time and look forward to seeing you all back in school on Tuesday 17th April.

We had two lovely visits to church this morning; the children sang so beautifully and we learnt more about the Easter story from our village church leaders.

House Cup

Well done to Petworth who won the House Points Cup.

Year 4 Bake Sale

Year 4 raised an amazing total of £334.65 at their bake sale, thank you to all who bought in cakes to sell.

STEAM Week 17th-20th April

We are really looking forward to STEAM week (Science, Technology, Engineering, Art and Maths). We will be working with an engineer and STEM ambassador, Phil Edwards, from Weald Technology Ltd who will be running workshops in each year group in Key Stages 1 and 2 over the week. We will be looking at transport, particularly the transport of the future. Children in all year groups will have the chance to explore engineering solutions and make models of their ideas. Our visiting engineer will be providing lots of materials for the children to use, but it would be helpful to have extra materials for model making. **We would therefore welcome donations of items such as cereal boxes, cardboard tubes, bottle tops, small foil containers.** Please send along to your child's class.

To keep the children busy over the Easter holiday, we are also running a competition to design a vehicle for the future. Details will be given out in assembly and on the school website.

Year 6 Homework Club

The Homework Club for Year 6 will continue on Wednesdays for the first half of the Summer Term. It will start the first week back on the 18th April and run until the week of the SATs.

KS2 Swimwear

If anyone has any spare swimwear for both boys and girls and are happy to donate to us we would be very grateful, thank you.

BPSCA News

The BPSCA have issued their termly Buzz newsletter with all the information about the term.

Yours sincerely,

Helen Williamson
Headteacher
